

WTSBSAG

Trevor Francis:

- A very warm welcome from WTSBSAG and CITB (Wales).
- Thanks to all. This should be a special day.
- Housekeeping and arrangements.
- We think we know at least some of the problems - but what are the answers? This is the challenge to our eminent speakers.
- We cannot afford to get it wrong!
- Specifying with confidence.
- Breathability and the other 99.99% ?
- Skills
- Context

WHAT IS TO BECOME OF THE WELSH HOUSE?

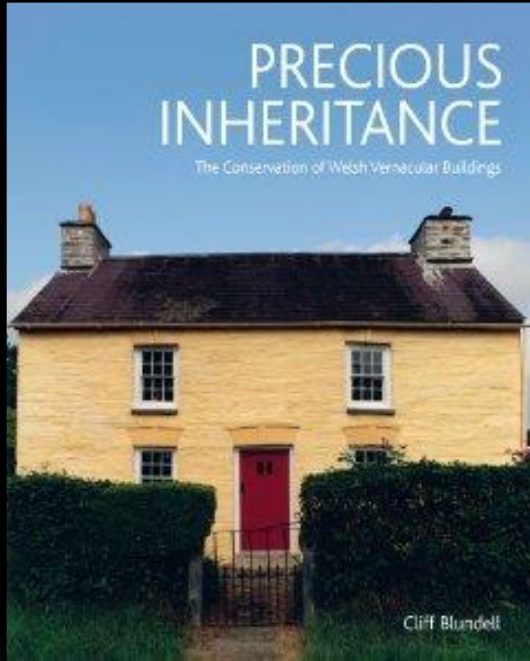

Fortunately not many as bad as this anymore...thankfully.

WHAT IS HAPPENING TO OUR HOUSE; WILL IT SAVE THE PLANET IF NOT THE BUILDING?

WHAT WILL BECOME OF THE RURAL WELSH VERNACULAR?

Capture the Energy, save the carbon but don't feed the rot and condensation!
